

Final Exam Planner

Respond to the following prompts for each exam or project that you have due during the exam

	Course:	Course:	Course:	Course:
Date and Time of Exam:				
What grade do I have in this class to date?				
What percent of my final grade is this final?				
Will the exam be cumulative or regular?				
What are the primary concepts I need to review?				
Rate your readiness for each concept: 3 = I know this 2 = I sort of know this 1 = I don't know this				

	Course:	Course:	Course:	Course:
What is my preparation plan?				
A. active study strategies B. things I need to gather C. resources I'll need to tap				
C. resources I'll need to tap				
-				

Research shows that you learn better when you spread your studying over time. How can you plan your exam study schedule to take advantage of this?

Write each course in the course column. Write the dates in the top row. For each course, write the specific tasks you plan complete on each day.
